| | Notes: | | | | | | |
| | All LIVE! classes need to have two days per week of scheduled teaching times and class meetings. | | | | | | |
| | One can be required and one optional, you can also have two separate classes if needed for | | | | | | |
| | Or you can do two days required | | | | | | |
| | TAT students need LIVE math and LA on Tuesday or Wednesdays. (TAT is Monday/Thursday) | | | | | | |
| | Any reason we can't put enrichments on T/Th and all live classes on M/W? or vice versa. | | | | | | |
