

# Communicable Disease Management Plan

School District: Estacada School District

School Name: Summit Learning Charter

Principal: Sean Gallagher

Last updated: 8/1/22

## Updates and Review:

We will be following the guidance from ODE Chapter 581 for, Division 22 for standards for public elementary and secondary schools.

Plan Component	Required	Recommendations and Considerations
<p>Prevention Oriented Health services program for all students which includes:</p>	<ul style="list-style-type: none"> <li>● Isolation room for sick or injured student that is supervised</li> <li>● Communicable disease control, as provided in Oregon Required Statutes</li> <li>● Require student Immunization records and health screenings</li> <li>● Students who are medically fragile or have specific health care needs will require the parent to remain on campus while student attends optional in-person classes</li> <li>● Yearly vision screening offered to all students</li> <li>● Staff will complete district required BloodBorne Pathogens training</li> <li>● Parent must complete Authorization for Medication storage by school personnel as and when student requires medication to be on campus with them</li> <li>● Certified CPR/first aid staff members - no less than 6 trained staff members</li> </ul>	<p><a href="#">Chapter 581, Division 22, 581-022-2220</a></p> <p>Local LPHA:  <a href="#">Clackamas LPHA Directory.pdf</a></p> <p>Oregon: <a href="#">LPHA directory</a></p> <p><a href="#">Communicable Disease Guidance for Schools</a></p> <p><a href="#">CDC for Disease Control and Prevention</a></p> <p><a href="#">Required Shots for School and Children's Facilities</a></p>

# Communicable Disease Management Plan

<p>Daily prevention of preventing the spread of all communicable diseases including but not limited to Covid-19</p>	<p>All students attending on campus activities will be given a temperature check for entry screening.</p> <p>Staff will have to sign into a kiosk upon entering the building and asked covid-19 screening questions..</p> <p>Primary Symptoms of Concern for screening:</p> <ul style="list-style-type: none"> <li>● Cough</li> <li>● Fever* or chills</li> <li>● Shortness of breath or difficulty breathing</li> </ul> <p>Staff will visually screen students upon entry for primary symptoms of concern.</p> <p>Student or staff with any of the above symptoms should be sent home or isolated until they can go home. Isolation procedure includes screening, and isolating in the room in front of the building, and a notification to the parent to collect their student ASAP. Students will be supervised by a member of staff.</p> <p>COVID-19 symptoms may also include the following, but these are less specific and not recommended as criteria for exclusion from school alone: new loss of taste or smell, headache, muscle or body aches, nausea or vomiting†, diarrhea†, fatigue, congestion or runny nose.</p> <p>† Note that vomiting and diarrhea are listed in OAR 333-019-0010 as conditions for restriction from school, independent of COVID-19.</p>	<p>Parents will be asked to share if a student has allergies that may look similar to covid-19 symptoms.</p> <p>Screening protocol must recognize that students and staff who have conditions that cause chronic symptoms (e.g., asthma, allergies, etc.) should not be automatically excluded from school. <b>Cough is an exception:</b> Staff or students with a chronic or baseline cough that has worsened or is not well-controlled with medication should be excluded from school. Do not exclude staff or students who have other symptoms that are chronic or baseline symptoms (e.g., asthma, allergies, etc.) from school.</p> <p>For students or staff with other symptoms, see <a href="#">guidance</a> from the Oregon Department of Education and the Oregon Health Authority.</p>

# Communicable Disease Management Plan

<p>Communication protocol for COVID-19 cases.</p>	<p>Natalie Allen-Wriggle (VP) will communicate via email to students K-5th grade who are exposed to confirmed positive Covid-19 student(s).</p> <p>Sean Gallagher/Cyndi Rathbun (P) will communicate via email to students exposed 6th-12th grade exposed to confirmed positive Covid-19 student(s).</p>	<p>Parents of all students who were exposed to a person diagnosed with COVID-19, and all exposed adults, should be notified within 24 hours and advised to follow the most current recommendations as directed by public health.</p> <p>Exposure will include anyone within 3 feet for a minimum of 15 minutes in an enclosed space.</p>
<p>Daily logs for each stable group or each individual student to support contact tracing of cases if necessary.</p>	<ul style="list-style-type: none"> <li>● Daily logs required for attendance in the school and cohorts</li> <li>● Natalie Allen-Wriggle will keep a log for K-5 students.</li> <li>● Cyndi Rathbun will keep log for 6-12th grade students</li> </ul> <p>Each log will include:</p> <ul style="list-style-type: none"> <li>● Child name</li> <li>● Drop off/pick up time</li> <li>● Parent/guardian name and emergency contact information.</li> <li>● All staff that interact with a child's stable group of children (including floater staff).</li> </ul> <p>Logs will be kept on file for 4 weeks.</p>	<p>Record keeping protocol for daily logs used in contact tracing to assist the LPHA as needed</p>
<p>Record of anyone entering the facility.</p>	<p>Staff/parents will have to sign into a kiosk upon entering the building and asked covid-19 screening questions.</p> <p>Log asks for:</p> <ul style="list-style-type: none"> <li>● Name</li> <li>● Contact information</li> <li>● Date of visit</li> <li>● Who they are visiting (if parent)</li> </ul>	

# Communicable Disease Management Plan

	<ul style="list-style-type: none"> <li>• Time of entry and exit</li> </ul> <p>Logs will be kept on file for 4 weeks.</p>	
OHA/ODE Recommendations	<ul style="list-style-type: none"> <li>• Face coverings will not be required but will be optional and recommended if student/staff as at risk</li> <li>• Maintain exceptional ventilation system for airflow and circulation</li> <li>• Require frequent hand washing between activities, before and after eating</li> <li>• Have dedicated cleaning staff to maintain cleaning and disinfection of spaces and staff/student accesses</li> </ul>	<a href="#">Communicable Disease Guidance for Schools</a>

## Isolation Measures

Plan Component	Required	Recommendations and Considerations
<p>Protocol to restrict any potentially sick persons from physical contact with others.</p> <ul style="list-style-type: none"> <li>• Anyone over the age of 2 will be screened visually and for a fever using a thermometer upon entry into the building.</li> <li>• Any person exhibiting two or more symptoms will be required to isolate in the designated isolation room and will be supervised until they leave.</li> </ul>	<ul style="list-style-type: none"> <li>• Isolation room for sick or injured student that is supervised</li> <li>• Communicable disease control, as provided in Oregon Required Statutes</li> <li>• Immunization records and health screenings</li> <li>• Students who are medically fragile or have specific health care needs will require the parent to remain on campus while student attends optional in-person classes</li> <li>• Certified CPR/first aid staff members - no less than 6 trained staff members</li> </ul>	<p><a href="#">Chapter 581, Division 22, 581-022-2220</a></p> <p>Anyone developing cough, fever, chills, shortness of breath, difficulty breathing, or sore throat while at school will be isolated from others immediately; and sent home as soon as possible.</p>

# Communicable Disease Management Plan

## Exclusion Measures

Plan Component	Required	Recommendations and Considerations
Exclusion of student(s) and employees	<ul style="list-style-type: none"> <li>Can exclude a student, a susceptible child or employee who has been exposed to any communicable disease including Covid-19, unless the local health officer determines, that exclusion is not necessary</li> </ul>	<a href="#">333-019-0010</a> Most stringent exclusion standards can be adopted as and when necessary under <b>ORS 433.284</b>

## Educator Vaccination

Plan Component	Required	Recommendations and Considerations
Covid-19 Vaccination Requirements for Teachers and School Staff	<ul style="list-style-type: none"> <li>Anyone serving students which includes school-based staff and volunteers (over 16) must provide proof of vaccination or provide medical or religious exception and the exception has been approved and/or accepted</li> </ul>	<a href="#">333-019-1030</a> Must comply with the ADA and Title VIII Can require most restrictive and additional requirements as and when necessary

I certify that I have received, carefully reviewed Summit Learning Charter’s communicable disease management plan, including all links and attachments, and I agree to work with them on ongoing COVID-19 mitigation efforts. [Sean Gallagher - Principal ]
