Outcome A	90% of students will be on-track toward graduation after completing 9th grade across all historically marginalized students.				
A1	SLC Freshman success coaches will maintain academic and attendance records of all 9th grade students and conduct family meetings 3x a year to promote on track progress towards graduation and post secondary planning.				
A2	100% of students will graduate from Summit Learning Charter in their cohort year provided they enrolled with us a 9th graders				
Outcome B	Summit Learning Charter will graduate 100% of all students on track.				
B1	SLC will have community partnerships and dedicated staff to support and coordinate unique needs of historically marginalized students.				
B2	SLC will eliminate graduation disparity among historically marginalized students.				
Outcome C	Increase participation in CTE related learning opportunities by 10%				
C1	SLC should have documented procedures and practices to highlight efforts school has made to eliminate disparities of success among students that have historically experienced academic challenges				
C2	SLC will track students participating in CTE curriculum options and create multiple access points for students to learn about CTE experiences for post secondary planning and employment.
